Stuart, FL 34997

772-283-6550

American Sign

Language I

ASL1140

Reference #141693

Tuesdays

5:30 – 9:00 p.m.

Just added for Fall 2009!

This course teaches conversational ability in American Sign Language and develops an awareness and appreciation of deaf people. It focuses on the basic grammatical features of American Sign Language and strengthens the student's receptive and expressive skills through various activities.

Prerequisite: College-level English and reading on placement test

Successful completion of this course and ASL1150 meets foreign language requirements for Florida Bright Futures and may meet foreign language requirements for University transfer. Please check with a college advisor.
